* already launch IPG clusters

SHARING OF LEARNING

Central Concepts of the 5 Year Plan	10 minutes presentation		
The Institute Process as engine of growth	- how a tutor was able to increase the no. participating in DM, leading to Bk 1 and enrolling families.	- how a participant of a study circle was transformed and found a path of service of conducting home visits for deepening	- experience of a cluster which was able to multiply and systematize children's classes
	NORTH - Sungai Petani (K.Gopal)	**SINGAPORE- ?**	**SOUTH - Klang**
Elements of a healthy pattern of growth	- animator who has been able to sustain a sizeable junior youth group over several months	- experience from a cluster, which was able to mobilize a high number of new believers into institute and home visits as a pattern of Baha'i community life	- experience from a cluster which has had a successful community building efforts in a particular neighbourhood
	SOUTH – Kota Tinggi (Vanmathi)	**NORTH – Sungai Petani (Sangaran)**	**SOUTH – Subang Jaya (Shirley)**
Intensive programs of growth	Towards better children and JYSEP in villages with majority Baha'is. Increasing Baha'i characteristics Baha'i majority villages	Experience of a collective teaching project	Sharing of experience of a recently launched intensive programme of growth – describe the path that led to the intensive programme of growth
	CENTRAL – Bidor-Tapah (Marjini) OR MYANMAR - Daidanaw	**SOUTH – Kajang (Shan)**	**MYANMAR – Tan Tae (Myint Zaw Oo)**
